

Lucas is a Seattle-based interior design firm specializing in high-end residential design projects. We are seeking a Designer with a strong background in interior architecture and design to join our team immediately.

Job Description & Responsibilities:

The primary responsibility of this position is to prepare drawing packages and 3D renderings for client projects, including interior architectural views, architectural detailing and furniture models as well as material, fixtures and door schedules. You will work closely with lead designers to develop design intent sketches into final presentation sets. You will be responsible for keeping drawings and models updated throughout the course of project development and construction. Applicant is required to function well in a fast-paced working environment and should be able to manage multiple tasks on a daily basis, including but not limited to:

- Project management & ownership from concept and collaboration to sourcing and installation.
- Creating and maintaining 2D AutoCAD drawings for interior architecture projects.
- Creating 3D renderings of project interiors and furniture in Sketch-Up Pro.
- Strong written, verbal and graphic communication skills, in order to collaborate and communicate with project teams, vendors and clients.
- Ability to communicate with project teams (architects and various contractors) regarding coordination of design intent, details, and construction issues.
- Specify materials, fixtures, furnishings and textiles that align with Lucas brand and aesthetic.
- A strong graphic design background and ability to think creatively and quickly is preferred for assistance with presentations and furniture design development.

Requirements:

- 2-3+ years experience in a related field (ie. interior design or architecture).
- Bachelor or Master's degree in Interior Design or Interior Architecture (or related field).
- Expert knowledge of the latest versions of Sketch-Up Pro, AutoCAD, Adobe Suite (Illustrator, Photoshop and/or InDesign) and Excel.
- Strong sense of contemporary architecture, modern design and detailing.
- Solid organizational skills, attention to detail and ability to work independently and meet deadlines at a fast-paced design studio.

To Apply:

Please submit cover letter, resume and digital portfolio to info@lucasinterior.com. Include 'Interior Design Position' in the email subject line. No phone calls please. Thank you!
